

# Seven Bays Estates Unlimited

## June 2010 Newsletter

**Our annual meeting of the Homeowners will be held, Saturday, July 10<sup>th</sup> at 10:00 A.M. If you are unable to attend, please sign the attached Proxy form and give it to someone you trust will vote on your behalf. A quorum of 51% of the homeowners is required to hold the annual meeting.**

The 2010-2011 Financial Budget was voted on and ratified at our community meeting.

Seven Bays has two new employees, Josh Phipps in maintenance and Ella Nuttbrock as our pool attendant. Please give them a warm welcome. Thanks to Nick Naccarato for all the mowing he has done at the park and airport.

We just had a visit from the Washington State Noxious Weed Board and were informed that the county has released billions of bugs that were bred only to bore into the stem of Toadflax. So if you see Toadflax in your yard or on the side of the road, look to see the stem boring bugs that will kill the weed. They say it will take a couple years total, but let the plants be if you see these little black bugs. The weed that the state is concerned with this year is **Houndstongue**. There will be a speaker at your annual meeting and flyers describing this WEED.

You will notice a new facelift to our Community Pool. We have a new metal roof made possible by some very hard working volunteers along with our Maintenance Department, Jed DeBord. The volunteers were: Rich Christopherson, Ron Garberg, Jim Craft, Mike Stecher, Lee Mourer, Steve Hughes, Dennis Johnson and Debbie Stecher. An especially BIG thank you to Rich for all of his electrical work re-wiring the Pool House and Mike Stecher for working over 100 hours.

Chipmasters will be completing the remaining roads this summer, and then the roads will be on a maintenance schedule after that.

AARP Class for Seniors (50 years or older) is scheduled for Thursday and Friday, June 10<sup>th</sup> and 11<sup>th</sup>, 9:00 A.M. to 1:00 P.M. both days. Fee is \$12.00 for AARP members and \$14.00 for non-members. Bring your AARP membership card for the discount. Taking this class could possibly give you a discount with most car insurance companies.

Call Maxine Jones @ 725-8339 to sign up.

**RELAY FOR LIFE** - June 11, 2010 at 6:00 P.M. at Davenport High School, 801 7<sup>th</sup> St. The relay walk is only 8.1 miles long. Come out and enjoy the fun while donating to this very important Cancer Fighting cause. To donate, go to: [relayforlife.org](http://relayforlife.org)

Department of Ecology, Martyn Quinn, came out to inspect our Waste Water System and Lagoon. He was very pleased and said Seven Bays has one of the best maintained private waste water systems he has seen.

Check our website for our Calendar of Events. Website is: [www.sevenbaysestates.org](http://www.sevenbaysestates.org)

**New summer office hours will be posted soon.**
